

2021 VRPA (for 2022 commencement) position distribution

All of the Rural Generalist (RG) internship positions (100%) will be included in the VRPA round. For all other rural and regional health services, between 50-100% of their available positions will be included.

The final number and distribution of positions that will be included in the 2022 VRPA round is subject to change. This will be calculated after applications close and will depend on the number of VRPA applicants.

Health Service & RG Intern Programs	Total positions available*	Positions included in VRPA 2021	% Positions included in VRPA 2021
