

# GNMP Video Interview FAQs

All GNMP candidates must undertake an online Video Interview during the timeframe specified being 10am Monday 18 July until 5pm Wednesday 20 July.

## **How many questions will I be asked?**

The number of questions will vary between candidates. The video interview will be programmed to ask questions based on your preferences as at 8 July. e.g. nursing/midwifery/mental health/ rural & regional. Questions are not related to individual health services.

Here are two examples:

- Nursing only streams in Metro location - 3 non-clinical questions + 1 nursing specific question = 4 questions in total
- Nursing with mental health in a rural/regional location - 3 non-clinical questions + 1 nursing specific question + 1 mental health question + 1 rural/regional question = 6 questions in total

## **How do I access the video link?**

- Once the video interview period is open
- Sign into your PMCV Match account
- The video interview button will be active in your application.

## **Do I get to practice?**

During the interview period you will be able to test your technology and practice answering the question to familiarise yourself with the process.

# GNMP Video Interview FAQs

## **Can I re-attempt my answers?**

No, the only question you can re-do is the practice question. Once you start your interview you cannot re-attempt a question unless there has been a technical issue.

## **Does it matter what you wear?**

This is the same as a job interview, please present yourself in a professional manner.

## **What if I have a technical problem during the interview?**

You will be able to contact Vidcruiter via a chat button within the video platform, for assistance.

## **I am away at that time, what should I do?**

Candidates only need access to WIFI and a phone/laptop so can complete from any where in any time zone. Please ensure you set aside time in your calendar, as it is your responsibility to undertake this process.

## **Can I tell the other students the types of questions?**

No, this information is confidential as per the Code of Conduct you ticked in your initial application. By sharing this information, you may give them an advantage in this process.
