

Rural Generalist Year 1 (RG1) Fact Sheet

What is the VRGP?

The VRGP is a coordination unit that supports Rural Generalist trainees

VRGP Benefits

There are many benefits in registering with the VRGP

- Case management support from Regional Coordinator and Clinical Lead
- Training and career pathway advice
- Assistance to access VRGP funded training positions
- Support you to access an RG role models and mentor
- Support you in making sound training and career choices

How do I apply for an RG1 position?

Postgraduate Medical Council of Victoria (PMCV) coordinates the Victorian Rural Preferential Allocation match for all 35 RG1 positions.

Contact www.pmcv.com.au for more information.

Rural Generalist Year 1 (RG1) Fact Sheet

How do I join the VRGP?

To commence your relationship with the Victorian Rural Generalist Program, identify the region or regions that you have an interest in and contact an experienced Regional Coordinator to discuss how you can access the many benefits offered by this program.
