

Information Nights for Advanced Training in Infectious Diseases

These information nights provide an opportunity to meet a representative from each Victorian Health Service Infectious Diseases Department participating in the match and to learn more about their respective department service, research and training.

Please register using the links below by **FRIDAY 17 JULY** and you will be emailed the meeting link.

In addition please email vicidtrainingprogram@gmail.com to let us know you're coming and for any queries. Each night will begin with a brief introduction by the training program coordinators, then you will be directed to breakout rooms with individual health services.
